

REVIS INTERNATIONAL WORKSHOP

# [ AI + AI ]

## The Synergy of Artistic Ingenuity and Artificial Intelligence in the Digital Reconstruction of the Aigai Hunt Frieze

A preliminary experimental digital print of the reconstruction of the Hunt Frieze from the tomb of Philip II at Aigai, at full scale, will be exhibited at the art space "16 Fokionos Negri".

In the same venue, the original works of the artist Emmanouil Bitsakis will be presented, which were utilized in the reconstruction.

**9 - 12** April 2025

**16 Fokionos Negri**
