STUDIES

1978: Maîtrise de physique, Paris XI.

1980: Diplôme d'Etudes Approfondies en Histoire des sciences (Ecole des Hautes Etudes en Sciences Sociales).

1982: Doctorat en histoire des sciences (Ecole des Hautes Etudes en Sciences Sociales, supervisor R. Taton).

PROFESSIONAL ACTIVITY

1979-1981: Grant of the National Hellenic Research Foundation, Programme of the Solar Corona (Observatory of Athens).

1982-1984: Research Collaborator of the National Hellenic Research Foundation, Programme of the Solar Corona (University of Athens-Observatoire de Meudon).

1984-1986: Research Collaborator of the National Hellenic Research Foundation, Responsible for the Project «the reception of science in 18th century Greece».

1987-1990: Researcher, history of science, at the Institute of Neohellenic Research of the National Hellenic Research Foundation.

1990: Associate Researcher, National Hellenic Research Foundation.

1995: Senior Researcher, National Hellenic Research Foundation.

2001: Director of Research, National Hellenic Research Foundation (Director of the Programme History, Philosophy and Didactics of Science and Technology, Institute for Historical Research).

RESEARCH INTERESTS

- History of the relations science-religion
- Science in Byzantium and the Ottoman Empire

- Spreading of the classical science (17th-19th c.)
- History of science policy
- Science and society.
- History of astronomy

RESEARCH AND OTHER ACADEMIC ACTIVITIES

Funded Research Projects

- *The reception of science in 18th century Greece*, 1984-86, (NHRF), responsible for the Project.
- *Lexicographical analysis of the Greek books of science of the Enlightenment period*, 1986-89, (NHRF-National Center for Sociological Research) responsible for the NHRF.
- *Project "Prometheus": the spreading of the Scientific Revolution from the countries where it originated to the countries in the periphery of Europe during 17th, 18th and 19th centuries* (EU, Human Capital and Mobility), 1993-1996, leader of the team of the NHRF.
- *History of Science for the Teaching of Science: New Pedagogical Tools for the European Secondary Education*, (Greece, Italy, France, Belgium), 1994-1996, project co-ordinator.
- *Project "Academia": The influence of Greek-Byzantine Traditions on the Development of Scientific Knowledge in Russia during 17th-19th centuries*, 1996-1998, responsible for the NHRF.
- *Library of the National Technical University of Athens*, 1997-1999, responsible for the Byzantine manuscripts of science.
- *Scientific and technical contribution of France to the modernisation effort of Greece during the 19th century*, (NHRF-CNRS), 1997-2000, project co-leader with K. Chatzis (ENPC).
- *The Hellenic Archives of Scientific Instruments*, (CNRS, Archives de la création), 1997-2008, project leader.
- *Interaction between Greece and Russia on the field of science and scientific education according to the archive materials*, 2002-2004, project co-leader with S. Demidov (Russian Academy of Sciences).
- *Sciences, technologies et construction de l'Etat moderne dans l'Est Méditerranéen et les Balkans de l'Est*, 2004-2006, project co-leader with K. Chatzis (ENPC).
- *Museum of Astronomy and Earth sciences of the Observatory of Athens*, 2008-2009 (responsible for the organisation of the Museum).

- *Hephaestus*, 2009-2012, Hellenic Philosophy, History and Environmental Science Teaching Under Scrutiny, EU, FP7-Capacities-RegPot-2008-1, 229825, budget: 800,000 Euros, project leader.
- *DACALBO*, 2012-2015, Digital archive concerning alchemy in Byzantium and in Greek-speaking communities of the Ottoman Empire and educational as well as cultural utilization of this archive, National Strategic Research Framework (Thales), budget: 600,000 Euros, project leader.
- *NARSES*, 2012-2015, Nature and Religion in South Eastern European Space: Mapping Science and eastern Christianity relations in South Eastern Europe and Eastern Mediterranean, National Strategic Research Framework (Aristeia), budget: 380,000 Euros, project leader.

International distinctions

- President of the International Union of the History and Philosophy of Science and Technology / Division of History of Science and Technology (2013-2017)
- Member of the Board of the International Academy of History of Science (2008-2016)

Journals

- Co-editor of *Almagest*, International Journal for the history of scientific ideas (Brepols publishers).
- Co-editor of *Critical science and education*, Greek journal of S.T.S. and Education.
- Co-editor of the *Newsletter for the History of Science in Southeastern Europe*
- Member of the editorial committee of *Revue d'histoire des sciences*
- Member of the editorial committee of *Archives Internationales d'Histoire des Sciences*
- Member of the editorial committee of *Studies in Ottoman Science*
- Member of the editorial board of *Histoire de la recherche contemporaine*.
