

**Final Workshop  
ToK-Dev. Project (2005-2009)**

**Solid Phase Phospholipid and  
Dendrimer Synthesis**

**“SOPHOLIDES”**

**Thursday, 29 January 2009**

Seminar Room, Ground Floor  
Institute of Organic and Pharmaceutical Chemistry  
National Hellenic Research Foundation  
48 Vassileos Constantinou Ave., 11635 Athens, Greece

**Programme**

- |              |  |
|--------------|--|
| 10.00-10.40  | <b>“Solid Phase Synthesis of Phospholipid Derivatives”</b><br><i>Dr Amelie Blanrue</i>   |
| 10.40-11.20  | <b>“Developing New Synthetic Routes Of Polyhydroxy- And Galacto-Dendrons Using Click Chemistry”</b><br><i>Dr Mazen Sleiman</i> |
| 11.20-11.40  | <b>Overview of the “Sopholides” project</b><br><i>Dr T. Calogeropoulou</i>   |
| 11.40-13.00  | Lunch Break  |
| 13.00- 17.00 | Round table discussion of results, troubleshooting, future directions and perspectives   |
| 19.00        | Visit to the Benaki museum   |
| 20.30        | Dinner at the Benaki museum  |

**Mid-Term Workshop  
ToK-Dev. Project  
"SOPHOLIDES" (2005-2009)**

**Friday, 30 January 2009**

Seminar Room, Ground Floor  
Institute of Organic and Pharmaceutical Chemistry  
National Hellenic Research Foundation  
48 Vassileos Constantinou Ave., 11635 Athens, Greece

10.00-12.00

Planning the participation of Prof. Mark Bradley in the project ARCADE to be submitted by IOPC to the call RegPot-2009
