

**Theoretical and Physical Chemistry Institute
National Hellenic Research Foundation**

Vass. Constantinou 48, Athens

LECTURE

**“Two polymer design cases: solid fuel cell electrolytes
and the magic of silicone elastomers”**

Prof. S. Hvilsted

**Department of Chemical and Biochemical Engineering,
Danish Polymer Center,
Technical University of Denmark,
Denmark**

Monday, September 25, 2017, 12:00

Seminar room, ground floor, NHRF
