

Dr Vasiliki Anevlavi

Postdoctoral Researcher - H.F.R.I. Fellow
Section of Greek and Roman Antiquity

Phone: +30 6942801649

E-mail: vanev@eie.gr

Website: <https://www.vasilikianevlavi.com/>

STUDIES

2010–2015 – BA, History, Archaeology and Cultural Resources Management, University of the Peloponnese

2012–2013 – ERASMUS Exchange Programme, Anadolu University, Türkiye

2015–2016 – MSc, Cultural Heritage Materials and Technologies, University of the Peloponnese

2020–2024 – PhD, Roman Archaeology / Archaeometry, Paris Lodron University of Salzburg

PROFESSIONAL ACTIVITY

03/2018–02/2020 – Researcher, Austrian Archaeological Institute (OeAW) / University of Leoben (Innovation Fund Project)

03/2020–12/2023 – Researcher, FWF Project “Fingerprinting White Marbles”, Austrian Archaeological Institute (OeAW)

03–12/2024 – External Researcher, Kunsthistorisches Museum Vienna, Austria

01–05/2025 – Post-doc-track Fellowship, Austrian Academy of Sciences (OeAW)

06–11/2025 – JESH Postdoctoral Fellow, Bulgarian Academy of Sciences

11/2025–present – H.F.R.I. Postdoctoral Fellow, National Hellenic Research Foundation

RESEARCH INTERESTS

- Archaeometric provenance analysis
- White marble studies
- Ancient quarrying and stone production
- Roman trade networks and material economy
- Geoarchaeology and multi-proxy methods
- Digital heritage and archaeometric data

RESEARCH AND OTHER ACADEMIC ACTIVITIES [bulleted]

- Coordinator, Early Career Researchers Group (ECRG), Austrian Archaeological Institute (OeAW)
- Co-editor, Special Issue "Provenance Analyses of Ancient Stones", *Minerals*
- Scientific Secretary and organising committee member, ASMOSIA XIII International Conference
- Peer reviewer for international scientific journals (MDPI, Springer, Elsevier)
- International collaborations (e.g. British Museum; Kunsthistorisches Museum Vienna)
- Fieldwork and archaeometric research projects in Greece, Bulgaria, and Austria
- Public outreach and science communication (e.g. Lange Nacht der Forschung, Austria)
